

RIBS Family of Products

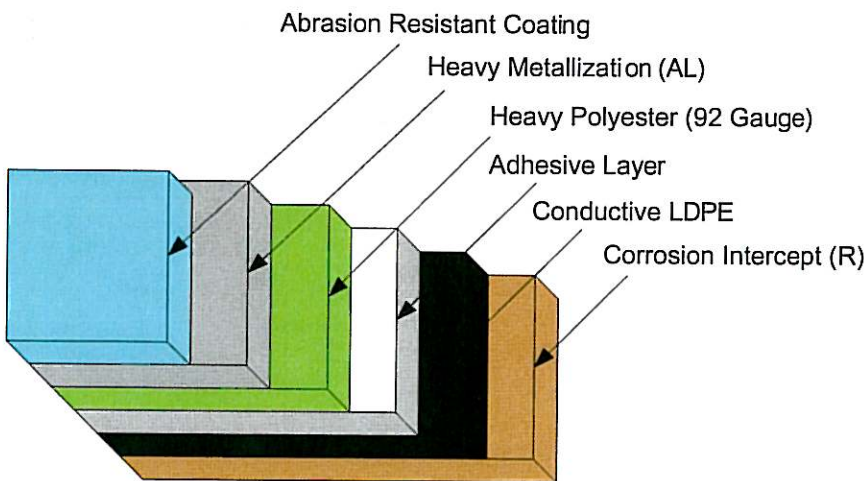

...simply better protection

RIBS Media

(no volatiles / controlled particles by using filtered air or nitrogen)

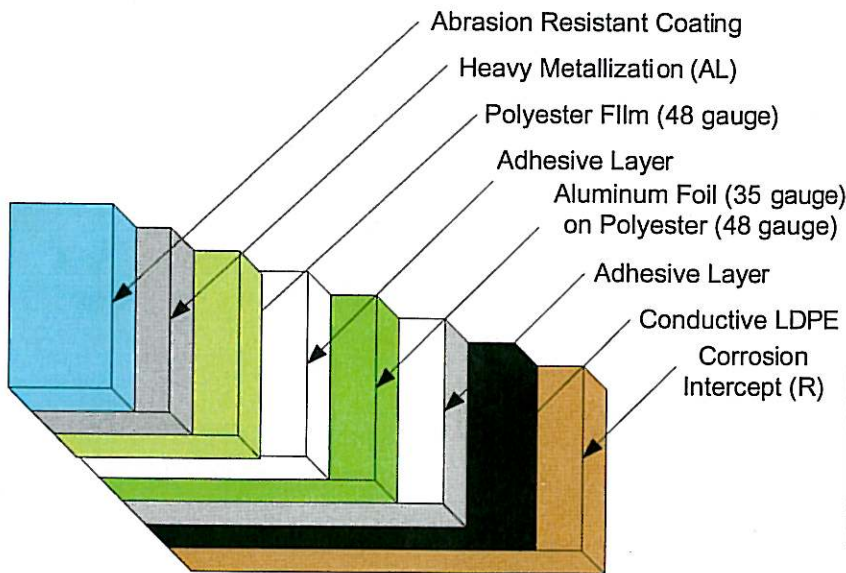

RIBS MVTR

Metal Out Design For the Best Protection

- RIBS MVTR
Moisture Barrier Bag**
- Metal Out Design (true shielding)
 - Charge Retention < 5 volts
 - MVTR Rate < 0.01 g/100in²
 - Energy Test (Shielding)
 - New 5 njoules
 - Used 5 njoules
 - Electrical properties
 - Independent of time, temperature, humidity, storage or use
 - Gauge: 4 mils (7200 in² / lb)

RIBS MVTR ULTRA

Meets mil spec 81705D Type 1 Mil 131

- RIBS MVTR ULTRA
Moisture Barrier Bag**
- Metal Out Design (true shielding)
 - Charge Retention < 5 volts
 - MVTR Rate < 0.005 g/100in²
 - Energy Test (Shielding)
 - New 5 njoules
 - Used 5 njoules
 - Electrical properties
 - Independent of time, temperature, humidity, storage or use
 - Gauge: 5.2 mil (nominal)
